20TH INTERNATIONAL CONFERENCE ON DIALYSIS

ADVANCES IN KIDNEY DISEASE 2018

January 31 - February 2, 2018

Disney's Contemporary Resort, Lake Buena Vista, FL

This meeting consistently provides the most up-to-date presentation of new technology and therapeutics in the field of kidney disease and emphasizes current issues facing the renal community

For more information: www.renalresearch.com

In cooperation with

Jointly sponsored by:
University of Minnesota
&
Renal Research Institute

REGISTRATION

Please visit www.renalresearch.com to register for our conference.

ACCREDITATION STATEMENT

This activity is planned and implemented by the University of Minnesota, Interprofessional Continuing Education and Renal Research Institute. In support of improving patient care, University of Minnesota Interprofessional Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

CREDIT DESIGNATION STATEMENTS

AMERICAN MEDICAL ASSOCIATION (AMA)

The University of Minnesota, Interprofessional Continuing Education designates this live activity for a maximum of *20.0 AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Health Care Professionals

Other health care professionals who participate in this CE activity may submit this statement of participation to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.

Nephrology Nurse Practitioners and Nurses

Pending Approval: This activity has been submitted to American Nephrology Nurses Association for approval to award contact hours. American Nephrology Nurses Association – Approver is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Physician Assistants

American Academy of Physician Assistants (AAPA). AAPA accepts *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME.

CONFERENCE OVERVIEW

The conference begins on Wednesday, January 31, 2018 at 7:00AM. The theme of the meeting is current clinical issues involving kidney healthcare providers with an emphasis on technological and therapeutic advances affecting patient care. This conference is for all professionals interested in the challenges and opportunities facing the kidney disease community.

ABSTRACT SUBMISSION & POSTER SESSION

Please submit your abstract by November 3, 2017 at www.renalresearch.com. The poster session for all accepted abstracts will be featured in the exhibit hall. The three best abstracts will be chosen for oral presentations to be held on Friday, February 2, 2018.

COURSE EVALUATIONS

Evaluations are critical for the future success of this conference. We please urge you to follow the email prompts to complete within 2 weeks after the conference concludes.

NEPHROLOGY FELLOWS

Attendance is mandatory for all sponsored fellows. This year all audience response questions will be completed through the conference phone app and will be monitored in order to ensure active participation.

HOTEL ACCOMODATIONS

Disney's Contemporary Resort — 4600 N World Dr., Lake Buena Vista, FL 32830

Disney's Grand Floridian Resort & Spa — 4401 Floridian Way Bay Lake, FL 32836

At the end of your on-line conference registration, you will find a link to both hotels, where you can reserve your room. The conference room rate is available for \$269 per night for a single and double occupancy plus taxes (currently 12.5% tax). If you are planning to extend your stay, please be advised that the conference room rate is good for three (3) days prior and three (3) after the meeting based on availability. Please make your reservations early. Check-in time is 3pm; check out is 11am.

GROUND TRANSPORTATION

Disney's Magical Express Service is a complimentary round trip transportation from Orlando International Airport. **No need to worry about baggage claim as your luggage will be delivered directly from the airport to your resort room. To make a reservation please call (407) 827-6777 or complete the online form on the hotel's reservation website**

Estimated ground transportation (taxi) cost from Orlando International Airport to either hotels is approximately \$31.00-\$50.00 depending on traffic.

HOTEL PARKING

Both hotels offer self and valet parking at an additional charge.

MEALS

Breakfast, lunch, and refreshments are provided to participants each day of the conference. A welcome reception is scheduled on the evening of Tuesday, January 30, 2017.

DRESS CODE

Dress code is business casual. Conference spaces tend to be chilly, please dress appropriately. No flip flops or shorts please.

ORLANDO WEATHER

The average temperature in Orlando in February ranges between 50-70°F (10-21°C).

Other Conference Events

10th International Pediatric Nephrology Fellow Meeting Monday--Tuesday, January 29-30, 2018

A day and a half meeting educational program for pediatric fellows. It includes faculty lectures on patient reported outcomes, growing up with CKD, dealing with patients' parents and more.

Exhibitor Spotlight Tuesday, January 30, 2018 2-6pm **Welcome Reception 6:30pm-8:30pm**

Exhibit hall opens early to give participants and exhibitors extra time prior to start of the conference

Peripheral artery disease workshop with hands-on diagnostic ultrasound Thursday, February 1, 2018; 6:30pm-8pm

This workshop will focus on 2 distinct stations: ankle-brachial index (ABI) and duplex vascular ultrasound, participants will split into groups and be able to interact with equipment

Day 1*Wednesday, January 31, 2018*

	Topics/Breaks	Speaker	Faculty Information
7:00am-8:00am	Poster Session and Exhibits (Breakfast provided)		
8:00am-8:10am	Welcome/Program Overview	Peter Kotanko, MD, FASN	Renal Research Institute, New York, NY
8:10am-8:40am	Mg ++ in CKD—should we care?	Frank van der Sande, MD, PhD	Maastricht University Medical Center, Maastricht, The Netherlands
8:40am-9:10am	2017 KDIGO CKD-MBD Guidelines	Geoffrey A. Block, MD, CCRI	Colorado Kidney Care, Denver, CO
9:10am-9:55am	Keynote Lecture: Impact of climate change on health outcomes	Patrick L. Kinney, ScD	Boston University, Boston, MA
9:55am-10:20am	Panel Discussion		
10:20am-10:40am	Break		
10:40am-11:10am	Bringing home the bacon: update on the state of kidney xenotransplantation	David K.C. Cooper, MD, PhD, FRCS	University of Alabama at Birmingham, Birmingham, AL
11:10am-11:40am	Practical steps nephrologists can take to increase transplantation rate	Seychelle Yohanna, MD	McMaster University, London, Ontario, Canada
11:40am-12:40pm	Debate: Management of elderly patients with RPGN	Gerald B. Appel, MD, PhD Vladimir Tesař, MD, PhD, MBA	Columbia University, New York, NY Charles University, Prague, Czech Republic
12:40pm-1:05pm	Panel Discussion		
1:05pm-2:05pm	Lunch		
2:05pm-2:35pm	Challenging cases of acid-base & electrolyte alterations in patients with CKD and ESRD	Qi Qian, MD	Mayo Clinic, Rochester, MN
2:35pm-3:05pm	Dermatology for nephrologist	Karen Van de Velde, MD	Private Practice, Santa Fe, NM
3:05pm-3:35pm	Female adolescents with CKD	Maria E. Ferris, MD, MPH, PhD	University North Carolina at Chapel Hill, Chapel Hill, NC
3:35pm-4:05pm	Pregnancy across the spectrum of CKD	Michelle Hladunewich, MD, FRCP, MSc	Sunnybrook Health Sciences Centre, Toronto, Ontario, Canada
4:05pm-4:30pm	Panel Discussion		

ONLINE REGISTRATION AVAILABLE AT WWW.RENALRESEARCH.COM

REGISTRATION FEES

	<u>EARLY BIRD</u> <i>(by 10/15/17)</i>	<u>REGULAR</u> <i>(by 12/23/17)</i>	<u>LATE</u> <i>(after 12/23/17 or On-site)</i>
Physicians (MD/PhD)	\$650	\$725	\$825
Nurses/Nurse Practitioners	\$550	\$650	\$725
NURSE CARE TEAM TRACK**	\$330	\$430	\$500
Other Healthcare Professionals	\$550	\$650	\$725
Medical Students	\$325	\$375	\$425

***Nursing Care Team Track is especially designed for nephrology nurses, with sessions on Thursday and Friday only. See insert for details

Day 2

Thursday, February 1, 2018

	Topics/Breaks	Speaker	Faculty Information
7:00am-8:00am	Poster Session and Exhibits (Breakfast provided)		
8:00am-8:30am	Dialyzability of commonly used drugs	Matthew A. Weir, MD	Western University, London, Ontario, Canada
8:30am-9:00am	Why are we using diuretics in our ESRD patients?	Mark Unruh, MD, MS	University of New Mexico, Albuquerque, NM
9:00am-9:30am	Novel insights into pathogenesis and prevention of intradialytic hypotension	Frank van der Sande, MD, PhD	Maastricht University Medical Center, Maastricht, The Netherlands
9:30am-10:00am	Dialysis in the elderly– do we need a special approach?	Martin Kuhlmann, MD	Vivantes Friedrichshain Hospital, Berlin, Germany
10:00am-10:25am	Discussion		
10:25am-10:45am	Break		
10:45am-11:15am	Dialysis access; latest developments to enhance success	Richard Neville, MD, FACS	Inova Health System, Falls Church, VA
11:15am-11:45am	Blood pressure in CKD: an update from a KDIGO controversies meeting	Roberto Pecoits-Filho, MD, PhD, FACP, FASN	Pontifícia Universidade Católica do Paraná, Curitiba, Brazil
11:45am-12:15pm	40 years of technological evolution in acute dialysis	Claudio Ronco, MD	San Bortolo Hospital, Vicenza, Italy
12:15pm-12:40pm	Discussion		
12:40pm-1:40pm	Lunch		
1:40pm-2:25pm	Keynote Lecture: Vascular stiffness in CKD	Gerard London, MD, PhD	Manhes Hospital, Vincennes, France
2:25pm-2:55pm	Precision medicine for kidney disease	Ali Gharavi, MD	Columbia University, New York, NY
2:55pm-3:20pm	Discussion		
3:20pm-3:40pm	Break		
3:40pm-4:10pm	Visions in a crystal ball: the future of peritoneal dialysis	Joanne M Bargman, MD, FRCPC	University Health Network, Toronto, Ontario, Canada
4:10pm-4:40pm	Osteoporosis in patients with CKD	David Bushinsky, MD	University of Rochester School of Medicine, Rochester, NY
4:40pm-5:05pm	Discussion		
6:30pm-8:00pm	Peripheral artery disease workshop with hands-on diagnostic ultrasound	Richard Neville, MD, FACS Mark Bates, RVT	Inova Health Systems, Falls Church, VA Vascular Imaging Associates, Stafford, VA

Preliminary Exhibitor/Poster Presentation Schedule

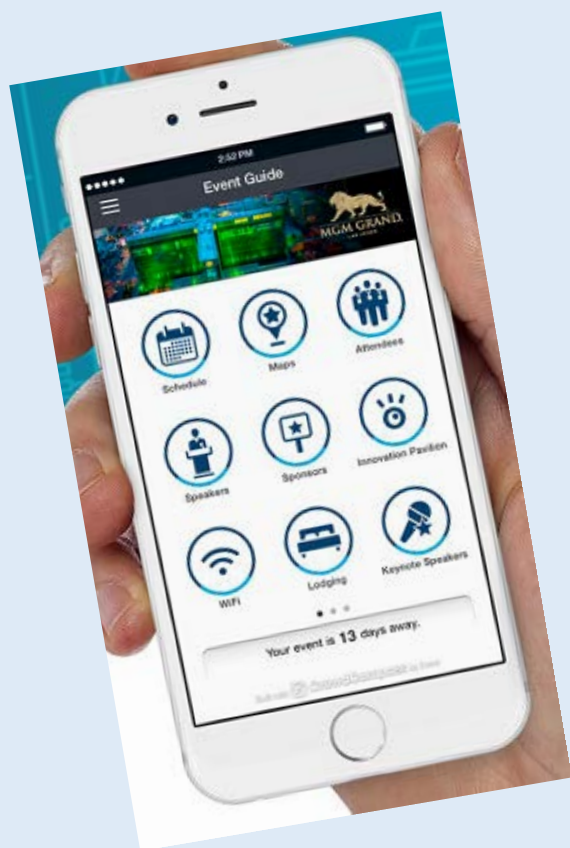

(schedule is subject to change)

Monday, January 29, 2018	2pm-6pm	Exhibitor/Poster Setup
Tuesday, January 30, 2018	8am-1pm	
Tuesday, January 30, 2018	2pm-6pm 6:30pm-8:30pm	Exhibit Hall Spotlight Welcome Reception
Thursday, February 1, 2018	5:30pm-8:30pm	Exhibit/Poster Dismantle
Friday, February 2, 2018	8am-12pm	

Day 3

Friday, February 2, 2018

	Topics/Breaks	Speaker	Faculty Information
8:00am-8:00am	Breakfast Provided		
8:00am-8:45am	Keynote Lecture: Tissue sodium - quo vadis?	Jens Titze, MD	Vanderbilt University, Nashville, TN
8:45am-9:15am	Renal functional reserve and kidney stress test in the evaluation of kidney function in different conditions	Claudio Ronco, MD	San Bortolo Hospital, Vicenza, Italy
9:15am-10:00am	Oral presentation of the three best abstracts	TBD	TBD
10:00am-10:25am	Discussion		
10:25am-10:45am	Break		
10:45am-11:15am	The fluid overload- inflammation axis	Jeroen Kooman, MD, PhD	University Hospital Maastricht, Maastricht, The Netherlands
11:15am-11:45am	Can we stop infections in dialysis?	Alan S. Kliger, MD	Yale University School of Medicine, New Haven, CT
11:45am-12:15pm	Blood volume and fluid management	Priscila Preciado, MD	Renal Research Institute, New York, NY
12:15pm-12:40pm	Discussion/Final Comment/ Adjournment		

Returning—December 2017 *RRI Conference 2018 Mobile App*

Application will provide

- *Speaker bios and photos*
- *Session schedules and room updates*
- *In-app audience response questions*
- *Map pins to locations*
- *Supplemental information on topics covered*

NURSE CARE TEAM TRACK

Day 1

Thursday, February 1, 2018

	Topics/Breaks	Speaker	Faculty Information
7:00am-8:00am	Poster Session and Exhibits (Breakfast provided)		
8:00am-8:30am	Dialyzability of commonly used drugs	Matthew A. Weir, MD	Western University, London, Ontario, Canada

12:15pm-12:40pm	Discussion		
12:40pm-1:40pm	Lunch		
1:40pm-2:25pm	Adolescents with CKD	Maria E Ferris, MD, MPH, PhD	University of North Carolina at Chapel Hill, Chapel Hill, NC
2:25pm-2:55pm	Choosing home hemodialysis: a critical review of patient outcomes	Brent W. Miller, MD	Washington University School of Medicine, St. Louis, MO
2:55pm-3:20pm	Discussion		
3:20pm-3:40pm	Break		
3:40pm-4:10pm	Management of common dermatologic problems in CKD/dialysis patients	Karen Van de Velde, MD	Private Practice, Santa Fe, NM
4:10pm-4:40pm	Addressing women's health in CKD	Michelle Hladunewich, MD, FRCPC, MSc	Sunnybrook Health Sciences Centre, Toronto, Ontario, Canada
4:40pm-5:05pm	Discussion		

Day 2*Friday, February 2, 2018*

	Topics/Breaks	Speaker	Faculty Information
7:00am-8:00am	Breakfast Provided		
8:00am-8:30am	On Going Home	Gayle Hall, BSN, RN, CNN	NxStage Kidney Care, Flemming Island, FL
8:30am-9:00am	Relative blood volume monitoring	Paul Balter, MD	Renal Research Institute, New York, NY
		Lisa Pacelli, RN	Renal Research Institute, New Haven, CT
9:00am-9:30am	Peritoneal dialysis questions	Joanne M Bargman, MD, FRCPC	University Health Network, Toronto, Ontario, Canada
9:30am-10:00am	Vascular access care - the nursing perspective	Lillian A Pryor, RN, MSN, CNN	Fresenius Medical Care, Gainesville, GA
10:00am-10:25am	Discussion		
10:25am-10:45am	Break		
10:45am-11:15am	The fluid overload- inflammation axis	Jeroen Kooman, MD, PhD	University Hospital Maastricht Maastricht, The Netherlands
11:15am-11:45am	CDC Infection Control Initiative/Medical Errors	Alan S. Kliger, MD	Yale University School of Medicine, New Haven, CT
11:45am-12:15pm	Blood volume and fluid management	Priscila Preciado, MD	Renal Research Institute, New York, NY
12:15pm-12:40pm	Discussion/Final Comment/ Adjournment		

Nursing Conference Details:

- This special nursing track is built into the main conference schedule, addressing topics particular to nursing clinical experience and shared issues with nephrologists
- 1 ½ day conference (Thursday & Friday)
